## AUDITION GUIDE

---

*Follow the steps below to submit your audition for one of our Spring Thesis Films.*

### 01 Visit the Website

Go to the Motion Picture Institute website to get started. All audition materials and film listings can be found there.

### 02 Browse Audition Materials

Look through the audition materials posted on the website. All available roles are organized by film, and each listing includes everything you need to audition.

### 03 Choose a Film & Role

Select the film and role you would like to audition for. Each film listing includes:

- Audition requirements and sides
- The director's contact information
- A submission link at the bottom of the listing

### 04 Record Your Audition

Prepare and record your audition based on the materials and requirements listed for your chosen role.

### 05 Submit Your Audition

Submit your recorded audition using one of the following methods:

- **Online submission link is found at the bottom of the film's listing.**
- **Email the director their contact info is also listed on the film's listing.**

#### ★ Want to Audition for ALL Films?

Prepare a monologue of your choosing and submit it through the General Audition link, which will be clearly labeled on the website. This allows you to be considered across all productions.

#### ✉ Have Questions About a Specific Role?

-Contact the director of that film directly. Their contact information can be found on the film's listing.  
-Please do not call the school with questions: email [curtis.clark@motionpicture.edu](mailto:curtis.clark@motionpicture.edu)
